

Effective 5/12/2015

63N-12-305 Reporting.

- (1) The center shall prepare an annual report describing the center's operations and recommendations for inclusion in GOED's annual written report described in Section 63N-1-301.
- (2) The center shall maintain a public website that:
 - (a) provides updated information regarding broadband coverage and availability in the state; and
 - (b) provides information as determined by the center that aids in marketing and expanding broadband and broadband infrastructure in the state.

Enacted by Chapter 278, 2015 General Session
